

## MOVING MOUNTAINS WEBINAR SERIES

### Recorded Webinar: PDPM: Understanding PDPM and Developing Your Facility Action Plan

Course Description: This 1.25 hour webinar will review fundamentals of the Patient Driven Payment Model effective October 1, 2019 for SNF Part A reimbursement. Emphasis of this session will be on understanding the payment model and the impact on interdisciplinary team operations with strategies for developing a step wise facility action plan to guide a successful transition.

**Cost: \$149.00**

#### Presented By:

Shelly Maffia, MSN, MBA, RN, LNHA, QCP, Director of Regulatory Services, is a Registered Nurse and Nursing Home Administrator with over 15 years of experience serving in long term care leadership and consulting positions, including positions as Director of Nursing, Administrator, and Corporate Nurse Consultant and Training Positions. She earned the QAPI Certified Professional (QCP) credential from the American Association of Nurse Assessment Coordination (AANAC), which was established to promote the highest standards for QAPI program implementation in the long-term care profession.

Amie Martin, OTR/L, CHC, RAC-CT, Clinical Consultant, is an Occupational Therapist and Compliance Officer with over twenty years of experience serving in long term care leadership positions and as a clinical program specialist. Amie is certified in healthcare compliance. She has successfully partnered with providers to develop and implement Compliance and Ethics program, achieve 5-star survey results, and ensure Medicare reimbursement accuracy as Founder and President of Proactive Medical Review Consulting.

Eleisha Wilkes, RN, RAC-CT, is a Registered Nurse and AANAC certified MDS consultant with over fifteen years of experience in long term care. She has served as a Director of Nursing, Case Manager and Resident Assessment Coordinator with extensive responsibility and success in driving QA in the areas of person centered assessment and care planning through effective systems, staff development, and interdisciplinary team collaboration. Eleisha specializes in Emergency Preparedness, MDS 3.0, reimbursement compliance, competency based staff education programs, SNF/NF survey readiness, and Phase 1-3 Requirements of Participation compliance.
