

BUSINESS SOLUTIONS
FOR BETTER
PATIENT CARE

GET READY NOW... PDPM IS COMING

- The new patient driven patient model (PDPM) begins October 1, 2019
- Patient clinical characteristics in totality will determine payment
- Quick and highly accurate assessment and diagnosis will be critical
- Payment will no longer be focused on therapy minutes and ADLs but will rely on over 180 MDS item fields
- Failing to accurately code patient needs will have a significant impact on adequate and accurate payment for high quality care
- Staff roles must change to operate effectively under PDPM

IT'S COMING AND WE CAN HELP

The PDPM ACADEMY is a **10-month training** effort to help centers prepare for this massive change.

PDPM ACADEMY is Both In-Person Training and Continuing Updates and Support

 2. Classifying residents in case mix groups;
 3. Assessing market position in a PDPM environment; and
 4. Using organizational, business, and management tools to reconfigure business planning.
