

## MOVING MOUNTAINS WEBINAR SERIES

### Recorded Webinar: PDPM: Effective Systems and Coding of Section GG

**Course Description:** This 1.5 hour webinar will focus on effective systems for gathering data and documenting function to support coding decisions for the MDS 3.0 section GG. The webinar will include review of Section GG items used to determine PDPM function scores and how those scores are calculated as well as how to establish interdisciplinary approaches to ensure accurate assessment and coding of Section GG items.

**Cost: \$149.00**

**Presented By:**

Amie Martin, OTR/L, CHC, RAC-CT, Clinical Consultant, is an Occupational Therapist and Compliance Officer with over twenty years of experience serving in long term care leadership positions and as a clinical program specialist. Amie is certified in healthcare compliance. She has successfully partnered with providers to develop and implement Compliance and Ethics program, achieve 5-star survey results, and ensure Medicare reimbursement accuracy as Founder and President of Proactive Medical Review Consulting.

Eleisha Wilkes, RN, RAC-CT, is a Registered Nurse and AANAC certified MDS consultant with over fifteen years of experience in long term care. She has served as a Director of Nursing, Case Manager and Resident Assessment Coordinator with extensive responsibility and success in driving QA in the areas of person centered assessment and care planning through effective systems, staff development, and interdisciplinary team collaboration. Eleisha specializes in Emergency Preparedness, MDS 3.0, reimbursement compliance, competency based staff education programs, SNF/NF survey readiness, and Phase 1-3 Requirements of Participation compliance.

**Course Objectives:**

1. Describe the intent and rationale of Section GG Self-Care and Mobility items.
2. Understand the Section GG function scoring for PDPM
3. Describe a process for establishing IDT collaboration for appropriate coding of section GG items
