

MOVING MOUNTAINS WEBINAR SERIES

Recorded Webinar: PDPM: Developing ICD-10 Expertise for Effective Coding of Clinical Categories & Non-Therapy Ancillary

Course Description: This 1.25 hour webinar will focus on best practices for ICD-10 coding accuracy in preparation for transition to the Patient Driven Payment Model (PDPM).

Cost: \$149.00

Presented By:

Shelly Maffia, MSN, MBA, RN, LNHA, QCP, Director of Regulatory Services, is a Registered Nurse and Nursing Home Administrator with over 15 years of experience serving in long term care leadership and consulting positions, including positions as Director of Nursing, Administrator, and Corporate Nurse Consultant and Training Positions. She earned the QAPI Certified Professional (QCP) credential from the American Association of Nurse Assessment Coordination (AANAC), which was established to promote the highest standards for QAPI program implementation in the long-term care profession.

Amie Martin, OTR/L, CHC, RAC-CT, Clinical Consultant, is an Occupational Therapist and Compliance Officer with over twenty years of experience serving in long term care leadership positions and as a clinical program specialist. Amie is certified in healthcare compliance. She has successfully partnered with providers to develop and implement Compliance and Ethics program, achieve 5-star survey results, and ensure Medicare reimbursement accuracy as Founder and President of Proactive Medical Review Consulting.

Eleisha Wilkes, RN, RAC-CT, is a Registered Nurse and AANAC certified MDS consultant with over fifteen years of experience in long term care. She has served as a Director of Nursing, Case Manager and Resident Assessment Coordinator with extensive responsibility and success in driving QA in the areas of person centered assessment and care planning through effective systems, staff development, and interdisciplinary team collaboration. Eleisha specializes in Emergency Preparedness, MDS 3.0, reimbursement compliance, competency based staff education programs, SNF/NF survey readiness, and Phase 1-3 Requirements of Participation compliance.

Course Objectives:

1. Review diagnosis codes that will impact payment in the upcoming Patient Driven Payment Model (PDPM)
2. Describe best practices for diagnosis coding in the SNF setting
3. Identify the types of clinical information that should be documented to support ICD-10-CM diagnosis coding specificity

Target Audience: Director of Nursing, Assistant Director of Nursing, Nurse Managers, Nursing Home Administrators, Nursing staff and leaders, Quality Assurance Director, Medical Records, MDS Staff, Therapy staff

Course Content

PDPM Overview

Diagnosis Codes impact payment in PDPM

Documentation specificity to support medical necessity

- Physician specificity

- Nursing

- Therapy

- Medical review risk areas

Best Practices for assigning codes across the interdisciplinary team

Billing considerations/Code sequencing

Closing comments/Q&A
